MEMORANDUM FOR:

FROM:

SUBJECT

: Impending University Presidents' Visit

See note below.

I announced at the staff meeting this morning, in your absence that the next university presidents visit will be as follows:

Thursday, 26 October 1978

Hours: 10:00 to 5:00

We have four firm acceptances and two probables

Wes Posvar of Pittsburg, firm

Josiah Bunting of Hampden-Sydney, firm

Edward Young of Wisconsin, firm

William Lavery of V.P.I., firm

Theodore Freund of Swarthmore, probable

James Cheek of Howard, probable

Freund says he wants to come and will if a forthcoming meeting of his trustees does not produce something to tie him up. Cheek's daughter is having an operation early in October and his availability turns on her progress afterwards.

We invited 20 presidents altogether and received bad returns (cold shoulder variety) from only two: Sawhill of N.Y.U. and Boyd of Iowa. Beginning at 10 was agreed to accommodate two or three presidents who are planning to travel to Washington that day.

*I think you should
winter several more to
keep # up to 8 possible but to assure at least 6.*

Also why go to J. - J. will
want to leave ~~and~~ earlier to get
back + 10 - 4 = plenty. These are very
costly in our time. F.P.B.
